Tuesday's tornado and severe weather affected more than 22,000 homes around the Pasadena and Baytown areas, with public officials and weather experts still figuring out the extent of yesterday's damage.

Drone footage from the Houston Chronicle shows partially and severely damaged roofs of apartment buildings and homes.

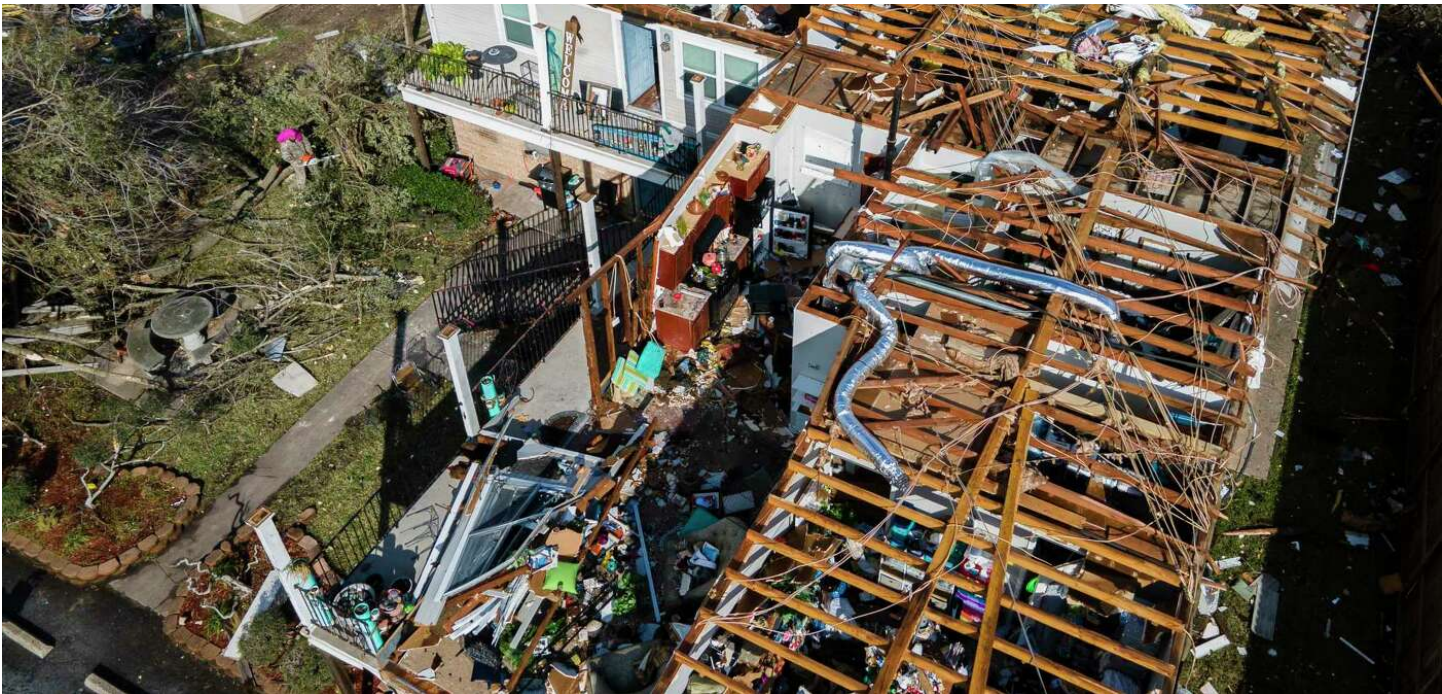

Drone footage from Wednesday, Jan. 25, 2023, shows aftermath of Tuesday's tornado in Houston, Pasadena and Deer Park.

Video: Houston Chronicle

The tornado toppled buildings and upended vehicles. The storm also stranded drivers in flooded streets. Right now it's still unclear how many injuries the tornado and storms caused.
